Ebook Details:

Review: Authored by one of the most experienced and trained archaeologists Kenneth A. Kitchen you won't be disappointed. Too many people see the Bible as a source of evil, myths, wars, etc... yet too shallowly discredit any positive gain in the Book that formed many nations, helped millions of lives personally, spread education, hope, even science throughout...

Description: For more than two hundred years controversy has raged over the reliability of the Old Testament. Questions about the factuality of its colorful stories of heroes, villains, and kings, for example, have led many critics to see the entire Hebrew Bible as little more than pious fiction. In this fascinating book, noted ancient historian K. A. Kitchen takes...
